RE: *United States v. Saheed Dupree et al.*, 23 Cr. 583 (JGK)

Dear Judge Koeltl:

This office represents Saheed Dupree in the above-captioned matter. I write to request a modification of Mr. Dupree's conditions of release so that his curfew can be set at the discretion of Pretrial Services. This modification will allow Pretrial Services to temporarily modify Mr. Dupree's curfew, so that he may attend employment opportunities and family events that fall outside of his current curfew restrictions. The Government and Pretrial Services have no objection to this request.

Thank you for your attention to this case.

Very truly yours,
